# VENETO LUCE™ COLLECTION

## HANDMADE GLASS SHADES FROM VENICE, ITALY

The Veneto Luce™ Collection is a Justice Design collection incorporating handcrafted glass shades. Each glass shade is truly a work of art, created by artisans in the historic city of Venice, Italy, where glass-making has been an art form for more than 700 years.

Using traditional forming methods, Venetian artisans form the glass shades into three distinctive shapes: Cylinder with Rippled Rim, Bowl with Rippled Rim, and Tulip with Rippled Rim. Each glass shade is available in five finishes: Amber, Clear Textured, Gold with Clear Rim, Whitewash, and White Frosted.
